As featured on BBC Animal Park and widely regarded as one of the best loved days out in the UK, Longleat has a wealth of exciting attractions and events to tantalise your palate for 2010!

The Passport Ticket offers entry into all of the Longleat attractions... from safari park to stately home and railway to safari boats, Longleat offers a real “wow” every step of your journey! Get close to the animals in the Safari Park... see how you measure up to a giraffe, watch out for the zebras crossing, wander amongst the wallabies in Wallaby Wood and be enthralled by the majestic lions, tigers, rhino and more!

Or climb aboard the Safari Boats for a sea lion escorted cruise, get lost in the Longleat Hedge Maze, enjoy a fun packed ride on the Longleat Railway, allow the kids to let off steam in the Adventure Castle and so much more... with 11 attractions to explore, your day at Longleat will never be long enough!

But that's not all! Longleat's new attraction 'Animal Adventure' which opened in late 2009, is already enthralling visitors! As Darren Beasley, Head of Animal Adventure explains “Longleat is all about interactive experiences whether its lions rubbing against your car or sea lions splashing you on the safari boats. These once-in-a-lifetime experiences are what our visitors thrive on; they are the highlights of peoples' days and create life-long memories.

“Animal Adventure is allowing us to take this interaction one step further as we actively involve our visitors in keeper-led tasks. Visitors will now be able to assist us in many exciting health and welfare tasks from grooming guinea pigs to weighing and measuring tortoises to monitoring and recording animal behaviours”.

Animal Adventure includes a variety of themed areas. The Butterfly House allows you to really get up close and personal as the hundreds of butterflies flutter by often landing on clothing, footwear and heads. The Rabbit World, Guinea Pig Village, ferret enclosure and Avian Academy will really allow you to get close and hands on with a variety of cuddly, scaly and feathery creatures. And at the end of an interactive experience, you will have the opportunity to purchase a ‘Ranger Diploma’ to prove to friends and family what you have achieved!

The fun doesn’t stop there however, as Longleat has teamed up with a whole range of kids brands in 2010 to add even more to your day out... There’s the Tractor Ted Farm Show on Saturday 3rd and Sunday 4th July and LazyTown’s ‘Sportacus & Stephanie’s Animal Adventure’ from Monday 26th July to Sunday 22nd August inclusive. Entry into these events is free with a valid Passport Ticket, is subject to availability and will be operated on a first come first served basis.

Information on events at Longleat can be found on the Longleat website or you can sign up to the Longleat E-newsletter which will inform you on what’s coming up, special offers, latest news and competitions.

The Longleat Passport Ticket offers entry into all of the Longleat attractions but you don’t need to complete it in one visit! Split your visit over a weekend or even over several... each attraction can be visited once only but you can come back at any time before the end of the season (31 October 2010) to see those attractions previously missed PLUS the grounds and gardens can be visited as often as you like!
